insp. passage, maya angalou heart of - pg 157
8/20 memory past, canning fair, big tree mating tree, purpose of gatherings, all colors & shapes & sizes, (askin for Lau

8/18 By the Covered Bridge, submitting myself to the Universe
Patrick, DMT, water bubbles (eyes) & snake @ the park, the boy who loved trees
Spencer, Ganja + HBWR to the light
McKenna, kneeling before my goddess, asking for her permission/consent/hand
(the thought of this submission brought up the others during late night 'Light of the moon' 8/

8/18-19 dreams; ① Elvis, anne shame for cutting down trees, (the nam call out her shaming & leave in van w/ others; ② officers/guards appear @ door, i'm eating choc cake while they plan to move me to hosp. looking up directions etc (2x while waiting between breakfast & shower) & dazed and really sleeping past few days - sleeping in longer than Dawn

McKenna's Guardian/Shapeshifter, white horse, stag, falcon, Rhino, whale, & human self - protecting and carrying her away from the crumbling earth/zombie human rage machine. Gaining Powers @ Eclipse and saving her again and again until we find our home away from the skinwalking ape's (mind control humans who lost 3rd eye to drugs/propaganda/institution machine, & thus MISSING THE POINT)

2 Letters! 8/19 Letters to Ozark mtn publishers and Governor (transparency/free-flow information action/motion, Lawyer, psychiatrist, family, doctor & Judge contradict eachother & i'm unsure who to trust/weeks w/ out contact/limited information on case & limited/no information except a few books from our small library (which i'm grateful for)
(not to mention the DA)
Ozark request Gandhi/Social activism & Law

lots of anger 8/19-20 dreams; ① Beach shells disappear, closet rearrange
superficial & plan to leave < bro dad/lots of fighting between dad and I (lots of anger ② 4 beds in downstairs room w/ Nicole & Cristiana, danielle & gaby hiding in the other 3 ③ wing suiting almost fail to open, flying behind videoing, heart race, OMG, last second save - 'seen that in Corvallis before' - quite elegant save though ... w/ in last 100 ft
surprised & glad he's alive.

= oh no

8/19 Light of the Moon pg 454 'wishing for another flash of green" *lights ~~out~~ off* flash of green radiates into circle & disappears w/ light - I get up to read that section again by the Light of the
